

Somali National University (SNU) Institutional Academic Guide

1. Institutional Identity and Profile

Mission and Overview

The Somali National University (SNU), also known as Jaamacadda Ummadda Soomaaliyeed (JUS), is the premier public, non-profit higher education institution in the Federal Republic of Somalia. Established in 1954 and attaining full university status in 1970, the institution underwent a period of closure during the civil conflict before its official restoration in August 2014. As the nation's sole public university, SNU is mandated to provide accessible, high-quality education, spearhead national research, and develop the human capital necessary for Somalia's socio-economic advancement.

Vision and Governance

SNU envisions a future where innovation and inclusive public education drive national prosperity. The university is governed by the Rectorate and the University Council, ensuring rigorous academic standards and institutional transparency.
